

Is proud to present...

## Measuring Western Forests for Carbon Credits.

Saturday Sept 26<sup>th</sup> 2009

**WHERE:** Veterans Memorial Museum 100 SW Veterans Way Chehalis, WA. 98532  
And B & D Tree Farm, Chehalis, WA.

**WHAT YOU WILL LEARN:** Understand the differences between various voluntary markets available to forest owners; Learn the new standards of carbon inventory needed to sell on the Chicago Climate Exchange (CCX) or Over The Counter via Woodlands Carbon; Information about assistance funds for use in completing carbon inventories; See case study properties where CCX standards have been transferred to the property level. Get hands on practice at doing carbon inventories.

**WORKSHOP CO-SPONSORS:** American Forest Foundation, Family Forest Foundation, Washington Farm Forestry Association, Washington State Tree Farm System.

**WHO SHOULD ATTEND?** Certified and Non Certified Forest Owners, Consultant Foresters and other resource professionals with an interest in carbon credit trading and forests.

**COST:** \$45 (\$35 for Washington Farm Forestry Association members) includes lunch, refreshments, and handout materials. Participants should dress appropriately for field conditions.

**CONTINUING EDUCATION CREDITS:** Participants will be eligible for 7.5 hours of CEU credit through the Society of American Foresters.

**MORNING WORKSHOP SCHEDULE:** - 8am-noon Location - Veterans Memorial Museum

-  **A brief history of and the various Carbon Credits markets.** Steve Stinson, Family Forest Foundation.
-  **Inventory Guidelines explained.** - Mike Gaudern, Woodlands Carbon.
-  **Roles and responsibilities within the Woodlands Carbon Contract.** - Mike Gaudern, Woodlands Carbon.

# WOODLANDS CARBON

CREATING ACCESS TO CARBON MARKETS FOR FAMILY WOODLAND OWNERS

- 🌲 **Woodlands Carbon Revolving Fund** - Woodlands Carbon and the American Forest Foundation are offering a loan to landowners to help cover the cost on initial inventory development by a Woodlands Carbon trained service provider.
- 🌲 **Cost Share** - NRCS and other assistance can be leveraged to help cover planning to help with resource concerns.
- 🌲 **Lunch** - Woodlands Carbon will provide box lunches.
- 🌲 **Afternoon Session:** Location – B and D Tree Farm
- 🌲 **Case studies of inventory methods** - Visit the field to see what happens when the standards are implemented on a woodland property.
- 🌲 **2009 Pool Applications and next steps**
