

Will your home survive a wildfire? Prepare your property before a wildfire strikes your area!

Mason Conservation District is offering FREE wildfire risk home assessments!

## **SIGN UP FOR A FREE SITE VISIT!**

A District Forester will visit your property for approximately one hour and will provide you with:

- Basics of wildfire behavior and how homes ignite
- A list of practical ways to lessen your wildfire risk
- Potential opportunities for wildfire risk funding

## **JOIN US FOR AN INFORMATIONAL OPEN HOUSE!**

Join us for our open house - Wildfire Conversations: Preparing your property for the risks of wildfires in Western Washington at Mason County Public Works on May 24, 2022, from 6:00-7:30 pm

Sign up for the open house or for a free site visit at [masoncd.org/wildfire](https://masoncd.org/wildfire) or scan the QR code below
